# APOSTLE'S GREETINGS

Apostle Annebella Williams

Holy greetings, from the leadership and members of the Body of Christ Deliverance Centre, to all our ministry partners and our online viewers, both locally and internationally. We greet you in the mighty name of Jesus Christ, our Lord and Saviour.

God has graciously granted us another year to unite, share, and celebrate this momentous occasion with you. We are reminded of the Scripture:

**"12. But the godly shall flourish like palm trees and grow tall as the Cedars of Lebanon.**

**13. For they are transplanted into the Lord's own garden and are under His personal care."**

— Psalm 92:12–13 (TLB)

Truly, we have witnessed this promise fulfilled—both individually and collectively as a ministry. This is why our declaration remains: **#Growth**. All glory belongs to our Heavenly Father who has strengthened, sustained, and propelled us to this point.

As you join us today in celebrating our **2nd Anniversary**, we pray that your experience will overflow with **JOY**, for in the presence of the Lord there is fullness of joy, and at His right hand are pleasures forevermore.

**Shalom.**

## MESSAGE FROM OUR BOARD

### Strengthening the Foundations

Pastor Damion Williams

**Isaiah 58:12 (KJV) – “And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in.”**

As we stand at the threshold of a new season, I am reminded that every great structure depends on the strength of its foundation. Body of Christ Deliverance Centre is no different. The Lord has called us not only to build but to strengthen what has already been laid—spiritually, relationally, and missionally.

Over the past two years, we have seen God’s faithfulness. Lives have been touched, people have

been converted and delivered, leaders have emerged, and our community has grown in grace. Yet, the work of strengthening continues. Today, I want to share three pillars that will uphold our vision for the future:

#### **1. Leadership Development**

The kingdom advances through faithful leaders who serve with humility, commitment and integrity. Our goal is to equip the brethren who lead by example—leaders who listen, learn, and love. In the coming year, we will invest in training, mentorship, and spiritual strengthening so that every leader reflects Christ in character and conduct.

#### **2. Stewardship**

God entrusts us with resources—time, talent, and treasure—not for personal gain but for kingdom impact. Stewardship is worship in action. As we strengthen the foundation, let us commit to generosity, accountability, and wise management. Every gift, every effort, every sacrifice matters in building a ministry that honors God and serves people.

#### **3. Community Building**

The Body of Christ Deliverance Centre is not a group of individuals; it is a family bound by love and purpose driven. We will deepen our fellowship, expand our outreach, and create spaces where every person feels seen, valued, and empowered. Together, we will be a beacon of hope in our city—a community that reflects Christ’s heart.

**Beloved, the foundation is strong, but it must be reinforced. Let us rise together, hand in hand, heart to heart, to build what will stand for generations. May our labor be marked by faith, our service by love, and our vision by hope through our Lord Jesus Christ.**

## MESSAGE FROM OUR BOARD

### Strengthening the Foundations

Pastor-elect Zachary Watson

As I reflect on the theme “Strengthening the Foundations,” I am reminded of the unwavering connection required between us and God. Foundations are not strengthened by accident or convenience; they are strengthened through intentional closeness to Him.

John 15:4 (NLT) - “Remain in me, and I will remain in you. For a branch cannot produce fruit if it is severed from the vine, and you cannot be fruitful unless you remain in me.”

The growth we have witnessed this year is not a matter of chance. It has come from staying connected, remaining vigilant, embracing spiritual

maturity, exercising discipline, and holding one another accountable. The seeds have been planted, the evidence is visible, and God’s faithfulness has not failed.

Throughout this year, many of us discovered areas in our lives where the foundation was fragile. That is what happens when we allow the Holy Spirit to move freely—He exposes what is weak in us. What matters most is that when He reveals those areas, we do not ignore them; we confront them in prayer and fasting. Just as concrete gains strength through careful curing, and plants grow through consistent nourishment, our spiritual foundations strengthen when we continually meditate on the Word and draw closer to God. We must experience Him personally, not secondhand. This is not a single moment - it is a daily lifestyle of devotion.

We must stand for holiness. We must worship sincerely. We must fast purposefully. We must pray intentionally. We must depend entirely on God and allow Him to lead. No one in Body of Christ Deliverance Centre should aim to simply be a member. We are carriers of the Word, vessels ready to be used, ambassadors of Christ’s kingdom, guardians of what God has entrusted to us. This is stewardship. This is leadership. This is growth.

Leaders do not merely hold a position or a title; they carry responsibility. Every appointment, elevation, and assignment we have seen this year has been God’s reward for dedication, commitment, and a lifestyle that honours Him.

A strong foundation is never built for one person; it is built to carry generations. It is built to impact the lives of those we encounter.

We lift each other, encourage each other, pray for each other, and correct each other in love. That is how the Church endures. That is how families flourish. That is how disciples multiply. A foundation is not proven by how well it supports you alone, but by how many it can safely hold.

When our foundation is Christ, nothing can move us.

# TWO YEARS OF GROWTH AND GRACE

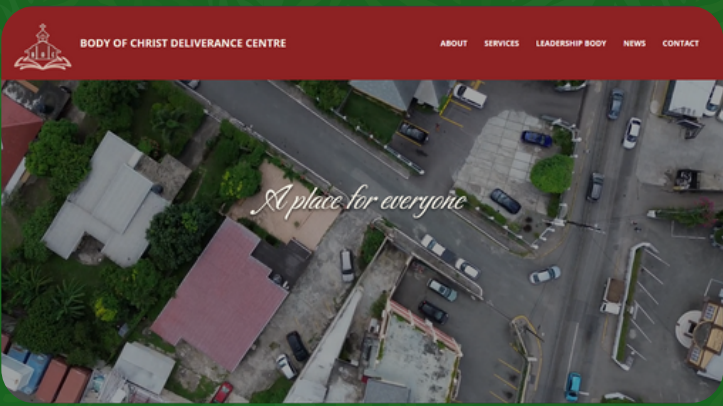

As we celebrate our second anniversary, we pause to reflect on a year overflowing with God's faithfulness. Truly, we have seen His grace at work in every area of ministry. "The Lord has done great things for us, and we are filled with joy." (Psalm 126:3)

This year, we rejoiced as four young souls declared their commitment to Christ through water baptism, and we welcomed the blessing of a precious baby into our church family. Our Youth in Action ministry continued to grow in passion, strength, and purpose, reminding us that God is raising up a vibrant generation for His glory. We also witnessed significant strides in visibility and outreach. Outdoor signs were installed on our property, and we successfully built and launched our official church website. In addition, our new YouTube channel has allowed us to stream services weekly, reaching online and international members with the gospel.

The Lord has elevated His servants among us. This year we celebrated the appointment and ordination of Apostle Annebella Williams, Pastor Damion Williams, Deacon Zachary Watson, Deaconess Sharon Ramsay, and Evangelist D'Andre Williams. Today, God continues to expand His work with the elevation and ordination of Pastor-elect Zachary Watson, Deaconess-elect Precious Garrick, Evangelist-elect Alanis Watson, and Evangelist-elect Tania Walker. We honour their obedience to the call and pray that the Spirit will continue to lead them. "He who began a good work in you will carry it on to completion." (Philippians 1:6)

Our intercessors have remained steadfast on the watchtower, praying fervently and witnessing healing, restoration, and deliverance among the young and the sick. We counselled and celebrated the marriage of a beautiful young couple, Pastor-elect Zachary Watson and Evangelist-elect Alanis Watson, rejoicing in the blessing of covenant. We also hosted our first Members Appreciation Sunday, honouring every member, yard and abroad, who continues to sow, serve, and stand with the ministry. In unity, we fasted and interceded for our nation Jamaica, believing God for revival, renewal, and righteousness.

Truly, this year has been marked by growth. As we enter a new year, may we continue to flourish in God's grace, power, and purpose. "Those who are planted in the house of the Lord shall flourish in the courts of our God." (Psalm 92:13)

## MINISTERS' GREETINGS

Greetings in the matchless and most precious name of our Lord and Savior Jesus Christ.

It is with great honour and gratitude that I serve you as the presiding prelate and overseer of Victory Worship Center.

As we move forward in our kingdom assignment and mandates, let us remember that God has given us valuable keys and favorable access. You are chosen for such a time as this to release fresh oil and fresh touch to the people of God.

I would like to extend a special congratulations and greater grace on your anniversary, Apostle

and Pastor Williams also to the members of BOC. May the gracious hand of God be continually upon your ministries.

I look forward to laboring with you each and everyday. Again, it is an honor to lead and serve God's assignment, in season and out of season.

Follow peace with all men and holiness, without that no man shall see the Lord.  
Grace & Peace.

**Bishop Glendon O. McNish And Minister Allison McNish  
Presiding Prelate of Victory Worship Center**

Our heart is filled with gratitude for you. Your faithful service, prayer, and sacrifice have been a firm foundation. You have quietly carried burdens, offered counsel, lifted up the weary, and interceded for the body of Christ. May God continue to bless you richly with His grace, peace, and strength. Congratulations on your 2nd anniversary.

**Pastor Winston and Loris Anderson of the  
Divine Destiny and Purpose Church**

# ORDINATIONS

## Set Apart to Serve

On Sunday, February 16, 2025, we gathered for a sacred and historic moment in the life of our ministry—our Apostolic Affirmation Service. Five dedicated servants were officially elevated in God’s kingdom, following their appointment by our Presiding Bishop, Glendon McNish, during our 1st Anniversary Service in December 2024.

Sister Sharon Ramsay was elevated to Deaconess, Brother Zachary Watson to Deacon, Brother D’Andre Williams to Evangelist, Elder Damion Williams to Pastor, and Pastor Annebella Williams to Apostle. Each of these leaders has faithfully demonstrated the heart of a servant, the posture of a watchman, and the willingness to answer God’s call with diligence and humility.

Since their appointment, they have continued to labor tirelessly—teaching, interceding, supporting the ministry, and nurturing the flock with unwavering commitment. Their elevation is not merely a recognition of past service, but a commissioning into greater responsibility for the building of God’s kingdom.

We celebrate their obedience and pray that the Lord will strengthen, anoint, and guide them as they walk boldly in their God-given assignments. “To whom much is given, much will be required.” (Luke 12:48, NKJV)

# CONTINUING IN ELEVATION

Pastor-elect  
Zachary Watson

As we celebrate our 2nd Anniversary, we rejoice that God continues to expand and strengthen His work among us. This special milestone marks not only another year of growth, but also another season of elevation within our ministry. On this day, we recognize and honour several faithful members who have demonstrated commitment, maturity, and a heart for service.

Deaconess-elect  
Precious Garrick

Deacon Zachary Watson will be ordained as Junior Pastor, stepping into greater pastoral responsibility with humility and readiness. Sister Precious Garrick will be elevated to Deaconess, acknowledging her steadfast dedication and consistent service. Sister Alanis Watson and Sister Tania Walker will be elevated to Evangelists, embracing a higher call to outreach, discipleship, and sharing the gospel.

Each of these individuals has shown themselves diligent and dependable, serving faithfully and growing spiritually. Their elevation reflects God's grace at work in their lives and the continued progress of our church family. As they walk into these new roles, we pray that the Lord will strengthen, guide, and anoint them for the assignments ahead. We give God thanks for what He has done and for what He will continue to do in and through His chosen vessels.

"And I will give you shepherds according to My heart, who will feed you with knowledge and understanding."

## TESTIMONIES OF GROWTH

Evangelist-elect  
Tania Walker

Being apart of the the Body of Christ Deliverance Centre is a home away from home. The undiluted word of God shared with us through God's servants, Apostle Williams, Pastors Damion Williams and Zachary Watson, as well as our praise team, Evangelists, Deaconesses and members. The love, unity, unwavering faith, guidance and dedication to the family of God is solid. BOCDC has made a tremendous impact in my life and I thank God for the wisdom, kindness, compassion yet stern knowledge and leadership displayed. May God continue to bless you all

and this Ministry. BOCDC which is anointed and appointed by God. Heart of love BOCDC family. Ephesians 4:16 NLT: [16] He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.

BOC has been a blessing in many ways, some of which I'm experiencing for the first time. I come into God's presence every time I step through the door. He's always there before we arrive. That's not the case in many churches and they seek to keep the attention of the congregation with bells and whistles, light shows etc. The Holy Spirit has never disappointed me, and as I sit at the keyboard, His divine presence is almost too much to bear at times. Worship is rich - in spirit and in truth. If I'm worshipping from off the altar, it's the same - profound and totally genuine. I have grown in terms of being more focused in my prayer life. The cohesiveness, that The Lord has made evident between our intercessors, has brought a sense of excitement and peace in knowing that this is indeed what The Holy Spirit desires of us to pray - at the specific time. Having been called to stand in the gap and to share some uncomfortable words, I am blessed to have a covering I have never had before - in the fervent and righteous prayers of Apostle Anna, and the entire BOC family. I have seen firsthand what God can do with little. He has used a few servants who are genuinely seeking after Him to do great and mighty things, and I am truly grateful to be counted among the blessed.

## #GROWTH

Over the past year, my life has undergone a profound and deeply personal transformation—one that speaks to the power, compassion, and faithfulness of God. A year ago, I found myself in one of the darkest valleys I have ever walked through. I spent countless days hidden beneath the sheets, isolated in a dark room, weighed down by depression, heartbreak, rejection, and disappointment. My spirit felt fractured, my purpose felt distant, and my hope felt nearly extinguished. I was present in body but absent

in spirit, struggling silently and feeling as though life had pressed me beyond my limits. Yet even in that darkness, God never abandoned me.

In His unfailing mercy, He reached into the broken places of my life and began to restore what I thought was beyond healing. Through quiet whispers of comfort, through Scripture that seemed to speak directly to my pain, and through a peace that made no sense in the middle of my storm, God slowly lifted me up. Christ became my light, my strength, and my compass. He reminded me that the place of brokenness is often the place where His greatest work begins.

I am profoundly grateful for Apostle Williams and my Body of Christ family, who have been a tremendous source of support, guidance, and encouragement. Even though I have not met them in person—being here in New York while they are in Jamaica—they have made me feel deeply connected, embraced, and spiritually covered. Distance has not diminished the love, unity, or fellowship I feel. Their prayers, their words, and their genuine care reached me exactly when I needed it most, reminding me that in God's family, we are never truly alone.

Today, by the grace of God, I am standing stronger. I am more focused, more grounded, and more aligned with the path God is leading me on. I am learning to trust His direction, even when it challenges me, and to walk boldly in the purpose He has placed within me. The heartbreak, rejection, and disappointments that once threatened to break me have now become the very testimonies God is using to shape me.

This is my #Growth—a journey from darkness into light, from despair into hope, from isolation into community, and from confusion into purpose. I am not who I was a year ago, and I give God all the glory for the healing, restoration, and new strength He has given me.

## TESTIMONIES OF GROWTH

Sister Nivette  
Turnbull

Well, well, well let me start by quoting a Psalm: Psalm 46:1: "God is our refuge and strength, a very present help in trouble!"

By quoting that Psalm it shows how much I have grown. I am a living example of #growth. I'm at BOC for 6 going on to 7 months, and the much I've learned from the little time, I think Apostle Annebella can now ordain me as "Pastor Nivette". I'm always telling Apostle and others that my 8am church is my cup of coffee and Body of Christ is my lunch and dinner.

"If you take God seriously your valley shall be filled with water". When I leave BOC each Sunday my head is filled with knowledge about the Father, Son and Holy Spirit! There's a saying, "beat and teach", well my Apostle "preach and teach". The love and warmth you get at Body of Christ as you step through the door is overwhelming! Praise and worship is so fulfilling, all when you can't sing you feel like Cece Winans! We have foundation and bible class and I have learned so much:

1. Fruit of the Spirit, Works of the Flesh (Galatians)
2. Exousia (noun): Authority from God, and Dunamis (verb): The Holy Spirit power to execute.

I'm just showing off how knowledgeable I am because of BOC, Apostle and Pastor Damion. With so much said I welcome you all to Body of Christ!

Sister Nadine  
Kinglock Hinds

I've been a member of the BOCDC for over 5 years now, and I'm incredibly grateful to be apart of this wonderful community. The Love, support and faith I've experienced have been life changing, and I truly cherish every moment. I am so thankful for Apostle Williams, who has been a guiding light in my life, especially during my darkest moments. She prayed with me, stood by me, and helped carry me through the toughest times. Her prayers and support have made all the difference, and I'm forever grateful for her presence in my life.

I can't wait to gather with all of you in the sanctuary, lifting our voices and hearts together in worship. God bless you all my Church family.

## TESTIMONIES OF GROWTH

Since December 3, 2023, my journey in Christ has been one of deep transformation and rebirth. I've come to truly experience the peace that surpasses all understanding through Christ Jesus (Philippians 4:7), and I've felt the unwavering love and support of my BOC family, who have walked with me every step of the way. Special acknowledgement to my Friend and Apostle Williams and her husband Pastor Williams, who continues to be a constant support and always willing to go above and beyond to support everyone around her. #Love #Blessings #Friendship.

Deaconess-elect  
Precious Garrick

But in December 2024, after the loss of my brother, I entered a level of grief that felt like it had no end. The consuming pain was heavy, and the days felt long. Yet, in the middle of that sorrow, something powerful happened, my relationship with God intensified. I stopped questioning whose voice I hear. God's presence became clearer, His leading became stronger, and His comfort became my daily strength. Truly, "The Lord is near to the broken-hearted and saves the crushed in spirit." (Psalm 34:18)

Through the loss and heartache, but GOD! the Lord has been teaching me the beauty of waiting upon Him — not as a delay, but as a divine preparation. His word reminds us that "those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles" (Isaiah 40:31). In the waiting, He was strengthening my faith and firming the foundation of my life and my children.

I've witnessed God's hand not just in my life, but in the lives of my children. My son's decision to serve the Lord and be baptized on September 28, 2025, filled my heart with unspeakable joy. Truly, "I have no greater joy than to hear that my children walk in truth" (3 John 1:4).

My daughter has become bold and courageous, no longer silent but confident in her deportment — a reflection of 2 Timothy 1:7, which says, "For God has not given us a spirit of fear, but of power and of love and of a sound mind."

Even through the storms of life, prayer has been my anchor, and God has remained faithful. "After you have suffered a while, the God of all grace will perfect, establish, strengthen, and settle you" (1 Peter 5:10).

Today, I share as my testimony of my Growth that when we trust God's timing, He not only transforms us but also establishes a legacy of faith through our children. To God be all the glory — for He is firming our foundation and building our lives upon the Rock, Christ Jesus.

All glory to God for the journey — #Growth #Faith #GodsGrace

You have turned my mourning into joyful dancing. You have taken away my clothes of mourning and clothed me with joy. (Psalm 30:11)

**YEAR II:** We crossed many rivers suddenly and, as He promised, God was always with us.

A year of dependence on God. A year of trusting in God.

A year of #growth by God.

HE IS FAITHFULL!

**Year I:** was the year of foundational stability in the Promise Land.

**Year II:** was the year of building walls and staying on them - in prayer, unity and strength. We obeyed God's word and went the extra mile, pushing the limits.

God knows what He put in us from eternity and HE DID pull it out from us - strength to strength. I'll end with Philippians 3:13-14 (NKV)

13 Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, 14 I press toward the goal for the prize of the upward call of God in Christ Jesus.

Praise be to God we walk by faith in love and unity. #BOCGROWTH

have extended beyond my immediate household, bringing tangible evidence of healing, provision, and renewed hope to my extended family.

You have likewise covered my professional endeavors with deliberate, faith-filled petitions, many of which have been followed by remarkable breakthroughs and timely inflows.

From New York, USA:

I am privileged to be the sister of Apostle Williams and I am also a friend of God. BOC has greatly impacted my life. Sound doctrine. The praise and worship takes you into the organic presence of God. We are constantly reminded at BOC, "Holiness unto the Lord". It's the place where KJV comes alive.

I remember one Sunday coming from church and the Lord told me that my son and Oshane will be home, no prison sentence. When I listened to the service I got confirmation confirmation when the youth pastor was told to remove the 2 padlocks. I immediately called and told Apostle that it's Andrew and Oshane, the policeman. I sent it to Oshane who was in prison doing a 30-year sentence and he was encouraged. 2 weeks after he was released. Andrew was released last month without sentence and from all programs.

I love the worship! Continue to strive in excellence because our God is excellent.

From St. Catherine, Jamaica:

I have so much I could say, but I'll keep it short. There were moments when I felt like God had given up on me, but I've learned that God never gives up on us. It's us who sometimes drift away from Him. I thank God for sending me an angel, my angel, Apostle Anna. I was a backslider who didn't know how to fight the enemy. My marriage was falling apart, my son was always sick, my health was failing, everything felt heavy and impossible. But God heard my cry and sent help. Today, my health is

improving, my son has stopped getting sick, and there is peace in my marriage. I'm not here because of luck, but because of God's mercy.

Apostle Anna saw everything I was going through and never gave up on me. She prayed for me, taught me about faith, and reminded me to wait on the Lord because He WILL deliver. Every morning she sent me a prayer, and as I read them, I grew stronger. I started going to church online, closing my bedroom door and worshipping like church was right there in the room. God has made me new. I am praying again, I have peace, my heart is light, and I am free from stress. I just want to encourage someone: Don't give up. When it looks hopeless, God will send your angel. Sometimes He prepares us for greater battles. My story could go on and on about what God has done for me, but today I simply want to thank God and thank Apostle Anna for obeying the assignment. Lord, continue to bless her, because she was there when I couldn't pray and when my heart was breaking. Thank You, Lord, for Your mercy.

Each time I attend church I feel spiritually refreshed, encouraged, and strengthened. The praise and worship creates an atmosphere where I can truly connect with God. I feel an environment filled with sincerity, passion, and the presence of the Holy Spirit.

Apostle Williams, God mouth piece, she consistently preaches the undiluted Word of God. Truth that is clear, transformative, and rooted in Scripture. Her teachings challenge me to grow, inspire me to live with purpose, and remind me of God's love and faithfulness. What stands out most is the authenticity of the ministry. They are genuine in everything they do - no pretense, no performance just real people serving God with integrity. Because of this, I feel at home, uplifted, every time I am there.

Sister Gail Palmer

From Toronto, Canada:

When I listen to the services, I feel more closer to God and that the Holy spirit is working and very active in the church. I can relate to the services because sometimes when I listen to the services, I feel the sermons and the worship atmosphere from this ministry are very impactful in the life of believer, form new converts to those who have been in christendom a long time. In the society we live in, we need a kairos word that will encourage and cause us to make a change in our walk with God. In one of the sermons, the speaker encouraged us not to give up and hold on. Many of us want to give up and I was one, but we need to hold on. I went back and forth because of situations in my life, just like others who are experiencing similar situation. We start and we stop, we start and we stop but that is the beauty about mercies. Great message. It is needed for the world we are living in today. That sermon spoke directly to me.

## Youth In Action

This past year has marked undeniable growth for our Youth In Action ministry—both spiritually and personally. Many of our members have stepped into new levels of purpose: some have been baptized, others ordained as ushers, evangelists, and pastor, and several have embraced new responsibilities within the ministry. These milestones speak for themselves—this is youth empowerment in action.

We are witnessing the unfolding of the very mission and vision on which this foundation was built. Our youths continue to embody boldness, discipline, and a readiness to serve, standing firmly on the Word of God in everything they do.

This year, we were delighted to welcome two new members to the group: Sis. Adrienne Hall and Sis. Kerry-Ann Dawes. Their addition has strengthened our fellowship and expanded our family.

When we speak about being equipped and empowered, this year has demonstrated that these are not abstract ideals—they are lived realities. The freedom to share, pray, and fellowship openly each week has created a safe and deeply rooted environment where our youths draw strength from Scripture and from each other as they navigate their daily lives.

One of the greatest blessings has been watching various members step forward to lead and exhort as the Holy Spirit guides them. Seeing how God speaks through them—shaping their insights as they spend time in His presence—reflects true spiritual maturity and reverence for the Lord.

As we move into Year Three, our vision remains unwavering: to follow God's leading and continue building a ministry where young people can grow, serve, and walk boldly in their God-ordained purpose. We look forward to welcoming even more youths as we continue to reach our peers and communities with the love of Christ.

For how long I have been at BOC, the growth has been amazing, and I love the times when you guys help me push to find my purpose, and I love how much BOC loves one another. We are a family, and we don't leave anyone by themselves. We as a church loves to be committed and to stay rooted and grounded. But my message is about how much I love BOC. I never knew today, that I will be getting baptized, and to say, I DON'T REGRET THAT CHOICE I MADE. My family is BOC, and it says in Philippians 4:13, "For I can do all things through Christ who strengthens me."

Body of Christ Deliverance Centre has been an incredible support system for me. I have received guidance, encouragement, and an unwavering presence which have strengthened me during some of my most challenging moments. I'm truly grateful for the impact the church has had on my life.

# TESTIMONIES OF GROWTH

Sister  
Adrienne Hall

Romans 8 vs 31 (NIV)

"If God is for us, who can be against us?"

I often remind myself of this scripture to reinforce my faith and know that I am not facing life alone.

Quietly and Gently repeating this scripture to myself makes the weight I've been carrying feel lighter and the loudness of the world become silent.

For the same God who knows my fear also knows my future, he has gone before me and stands with me in every uncertainty showing me his unwavering love and grace, deeper than I can understand.

And with that being said, I'm grateful that the Lord has blessed me with something just as priceless, a loving church family. The BOC family has poured into me, encouraged me and helped me to grow in ways never expected. They've helped me to become more confident in myself and grounded in the word of Christ. I am reminded daily that God works through people as he placed a strong God fearing community around me.

God is for all of us and that is the beginning of all good things.

Rashidi "Ryleigh" Matthews

2 Timothy 1:7 NLT

[7] For God has not given us a spirit of fear and timidity, but of power, love, and self-discipline.

This verse reminds me how shy I used to be back then but with God I speak up more and am less shy.

Brother Deshawn Williams

I am a drummer at church and I like music and Spanish. I love playing drums at church and I'm learning to speak up.

## TESTIMONIES OF GROWTH

Evangelist D'Andre Williams

When I look back at where I started and where God has brought me, I can truly say that being a part of the Body of Christ Deliverance Centre has transformed my life. When I first entered this ministry, I didn't know how to play the keyboard at all. Every bit of knowledge and skill I now have was planted right here. I'll never forget the Sunday when Sis. Cecelia Levy laid her hands on my head. From that moment, I felt a real transfer of the gift of music. God took someone who knew nothing and began to teach, strengthen, and shape me through His anointing. With

practice, encouragement, and the power of God in this house, my playing has grown beyond what I ever imagined.

I've also grown through serving in the Media Ministry. We started on Zoom, and now God has allowed us to reach even further by streaming our services on YouTube. I had the privilege of building our church website and helping to strengthen the media department as we continue to grow.

Spiritually, the Lord has elevated me. I was ordained as an Evangelist something I carry with deep respect and He has blessed me with the gift of interpreting tongues. This gift has matured me, sharpened my spiritual awareness, and strengthened my service to the Body of Christ Deliverance Centre.

As I reflect on my journey, I am grateful for how far God has brought me. For the opportunities, the growth, the elevation, and the people who have poured into me. And I look ahead with expectation, knowing that God is not finished, greater is still ahead. #GROWTH

Evangelist-elect Alanis Watson

This past year has been a season of incredible personal and spiritual growth. As God elevates me into new responsibilities, He continues to strengthen my confidence and remind me of the anointing He has placed on my life. Leading Praise and Worship has stretched me in the best ways, challenging my fears while revealing God's faithfulness. Whenever doubt rises, someone always shares how the worship touched them, reminding me that God equips whom He calls.

As I continue walking in purpose, I am honoured to assist in leading our youth, helping them grow, discover their gifts, and boldly step into their own calling.

## VISION FOR YEAR 3 Forward in Faith

Over the past year, we have witnessed **remarkable growth** as a ministry—both within the sanctuary and across our online community through our YouTube channel. This expansion prompted the development of our official church website, which is now active, updated, and serving as a vital hub for outreach and information.

With growth comes **greater responsibility**, along with the call for deeper **transparency and accountability**. Just as we see in Acts chapter 6, where additional workers were appointed as Deacons to support administrative and welfare needs—allowing the Apostles to focus more effectively on the ministry of the Gospel—we, too, embrace this model. **As it was then, so it is now.**

Recognizing that growth is both evident and inevitable, we understand that the needs of the people—spiritual and physical—will continue to expand. In response, you can expect the launching of **new ministries** designed to strengthen unity, foster spiritual maturity, and empower believers to develop and operate in the gifts and talents God has entrusted to them. These ministries include but not limited to the following:

1. BOCDC Women's Fellowship
2. BOCDC Marriage Forum

As we move forward, we also anticipate our leadership team becoming increasingly confident and effective in their respective roles. Through intentional training sessions and Spirit-led partnerships with other ministries, we aim to build capacity, sharpen our skills, and serve with excellence.

As the Body becomes more spiritually fortified and physically equipped—armed with the sword of the Spirit—we will continue to **advance into the enemy's territory through evangelism**, beginning right within the community in which our church is planted.

To God be the glory for the great things He has done. As we press forward in faith, we commit our plans to the Lord, trusting His promise in **Proverbs 16:3:**

"Commit your works unto the Lord, and your thoughts shall be established."

# GRATITUDE & ACKNOWLEDGEMENTS

**Philippians 1:3 (KJV) – “I thank my God upon every remembrance of you,”.**

As we reflect on Year 2 of this ministry, our hearts overflow with gratitude. Every milestone reached, every life touched, and every prayer answered is a testimony to **God’s goodness and faithfulness.**

## **Founding Supporters**

We continue to honour those who laid the foundation for this work. Special recognition goes to Bishop McNish and Minister Alison McNish and the VWC team, Mr. and Mrs. Heffes (our landlords), along with all who believed in the vision from the very beginning. Your prayers and support remain the pillars upon which we stand.

## **Contributors**

To every person who gave of their time, talent, and resources—thank you. You made this year possible. From planning events to serving behind the scenes, your dedication has strengthened God’s ministry.

## **Workers & Volunteers**

To our tireless workers and volunteers: you are the heartbeat of this ministry. Your willingness to serve in **Praise and Worship, intercessory, media, outreach, hospitality, and ushering** reflect Christ’s love in action.

## **Newsletter Committee**

We also acknowledge the Newsletter Committee, whose creativity and commitment have kept our community informed and inspired. Your work ensures that our message reaches hearts near and far.

## **New Leaders & Ordained Ministers**

Finally, we celebrate those stepping into new roles of leadership and ordination:

- **Junior Pastor-elect Zachary Watson**
- **Evangelist-elect Alanis Watson**
- **Evangelist-elect Tania Walker**
- **Deaconess-elect Precious Garrick**

Your obedience to God’s call marks a new chapter in our journey. We stand with you in prayer and support as you lead with courage and humility.

To all of you—we thank God for you. May He continue to bless your labor, multiply your efforts, and reward your faithfulness. **Together, we will keep building for His glory.**

With heartfelt appreciation,  
**The Board of Directors**

## BLESSED FATHER

Blessed Father we kneel at your feet,  
And the warmth of your presence is sweet.  
Lord reach down from your throne,  
Make Jamaica your own  
For a work of Your hand is complete.

Give your people the power,  
In this land, at this hour,  
To accomplish Your work in our hearts.  
Give us wisdom to show  
Where our nation must go  
Touch me Father and make me the start.

Precious Saviour give peace to our land.  
Place our nation in the palm of Your hand.  
Heal our sick and our lame,  
Give Jamaica Your name,  
That Your people may raise up and stand.

Build a people of honour.  
Build a people of glory.  
Build a people of righteous high praise.  
Take each talent You gave,  
Mould Jamaica and save.  
Please have mercy with passion we raise.

Blessed Father we kneel at your feet,  
And the warmth of your presence is sweet.  
Lord reach down from your throne,  
Make Jamaica your own  
For a work of Your hand is complete.

Give your people the power,  
In this land, at this hour,  
To accomplish Your work in our hearts.  
Give us wisdom to show  
Where our nation must go  
Touch me Father and make me the start.
