

# I DREAMED A DREAM

I dreamed a dream of promise, a child God lent to me  
Would someday grasp the meaning of his life  
I saw His many struggles to be who He would be  
And I prayed He'd be a good man to his wife.

## MAIN CHORUS

He's such a man – the boy who snuggled at my knee  
He's such a man – the man I'd prayed the Lord He'd be  
Holding on to what he knew, never letting go  
To the things we both hold dear, even though we know  
Time goes on and in this life, many rivers flow  
But for us – You see- I dreamed a dream.

I told the Lord my story, my son was far away  
And He promised me, my household He would save  
I knew I'd seen His glory, when just the other day  
My young man chose his Saviour o'er the grave.

**Chorus** – He's such a man, he's such a man

I watched with great amazement, a miracle unfold  
The prayer of my heart began to bloom  
The tiny hands that I once held, became the hands that hold  
And mine were those they sometimes led from gloom

**Chorus**-He's such a man, he's such a man

And when this life is over, and all is said and done  
I'll thank the Lord for what He lent to me  
For if I could have chosen, a child from anyone  
The child he chose would be the one for me.
